

TILA Beads instruction Vol.4 WREATH TOP PENDANT

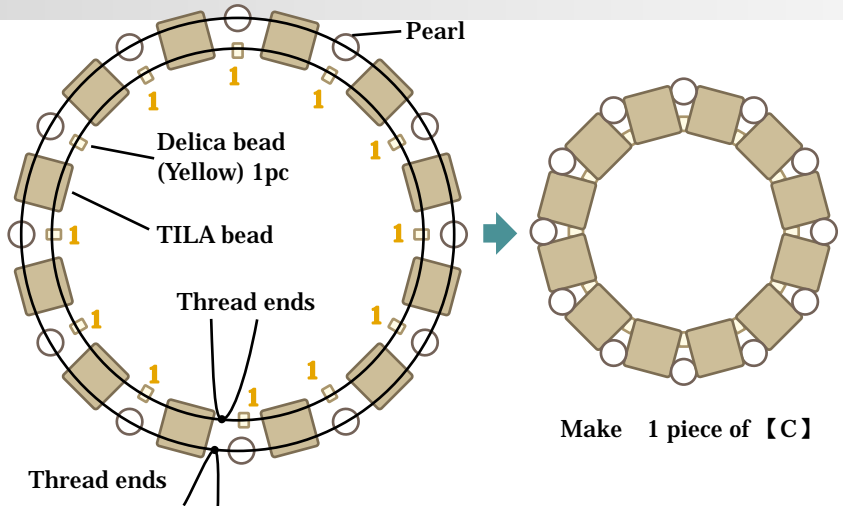

Finished size...About 47cm (1.52ft) ~ 52cm (1.69ft) (including clasp) Tools...Scissors · Ruler · Pliers · Toothpick

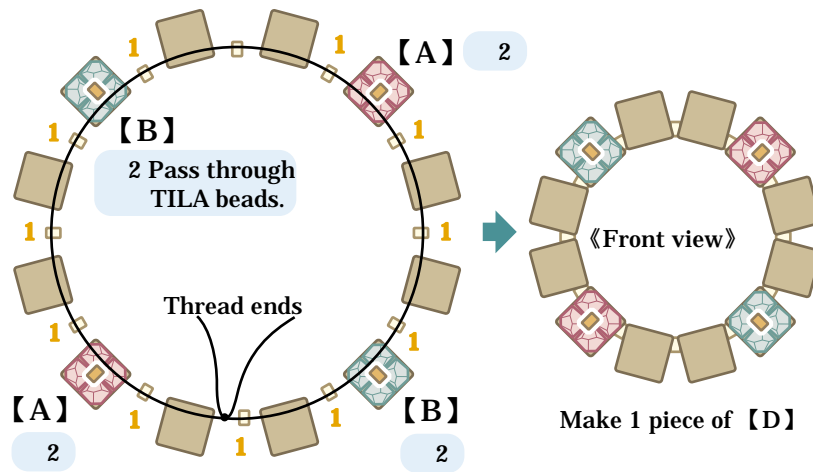

1) Use six 15cm (5.91 in) lengths of nylon thread to make 3 pieces of both **【A】** and **【B】** . String TILA bead, Crystal cut beads (Pink for **【A】** , Green for **【B】**), and Delica beads from to end as in the picture. Tighten the thread and knot twice. Pass the excess thread ends through the nearest bead (Crystal cut), then cut off.

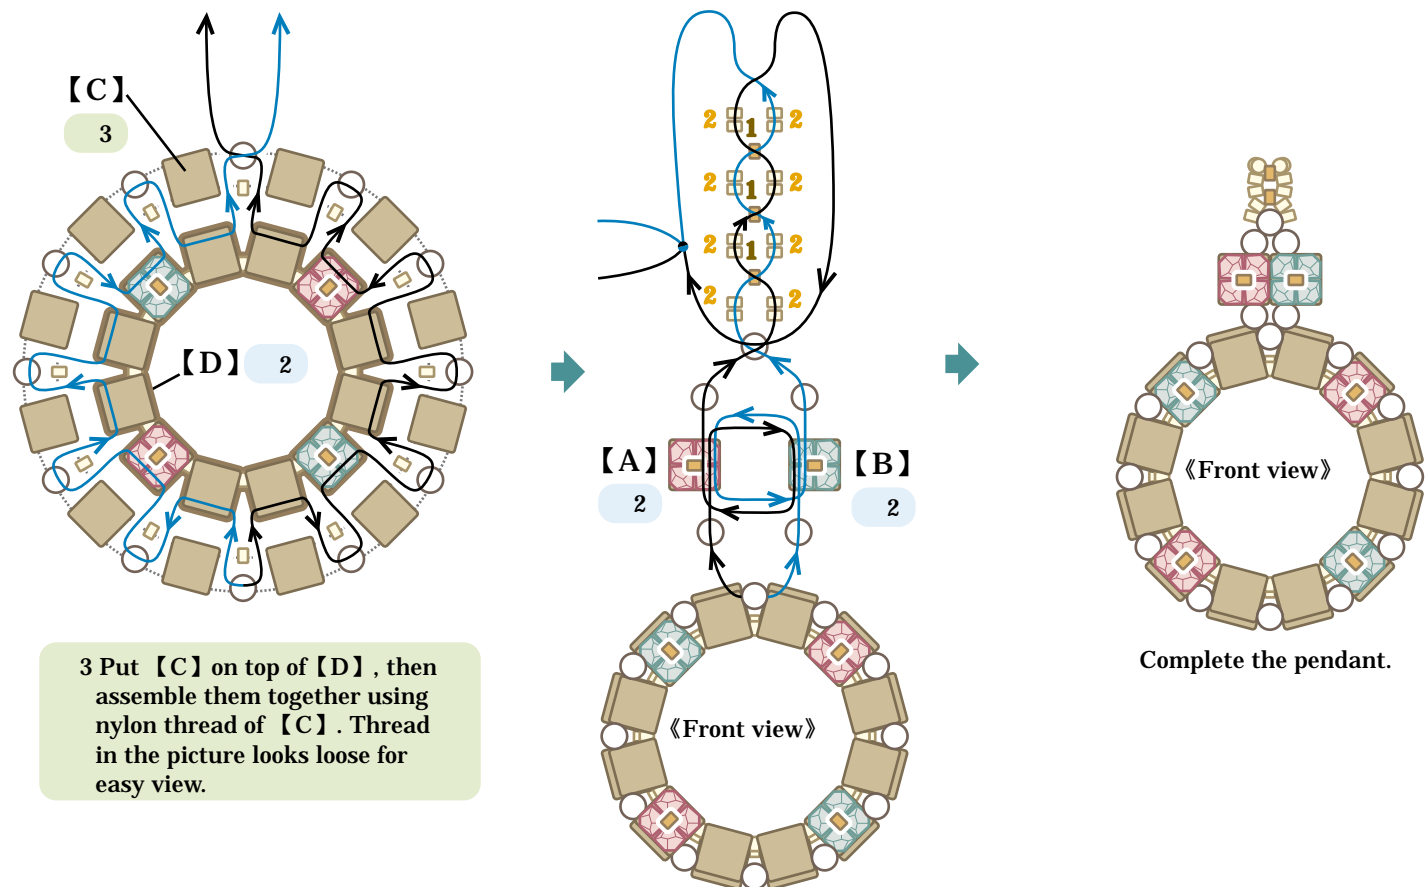

2) Use two 30cm (11.81 in) lengths of nylon thread to make 1 piece of **【C】** . String TILA beads, pearls and Delica beads on two lengths of nylon thread. Tighten the thread and knot twice. Pass the excess ends through the nearest TILA beads, then cut off. Use new 30cm (11.81 in) of nylon thread to make 1 piece of **【D】** . String TILA beads, Delica beads and **【A】** & **【B】** at 1) , then finish the thread ends the thread the same as **【C】** .

TILA Beads instruction Vol.4 WREATH TOP PENDANT

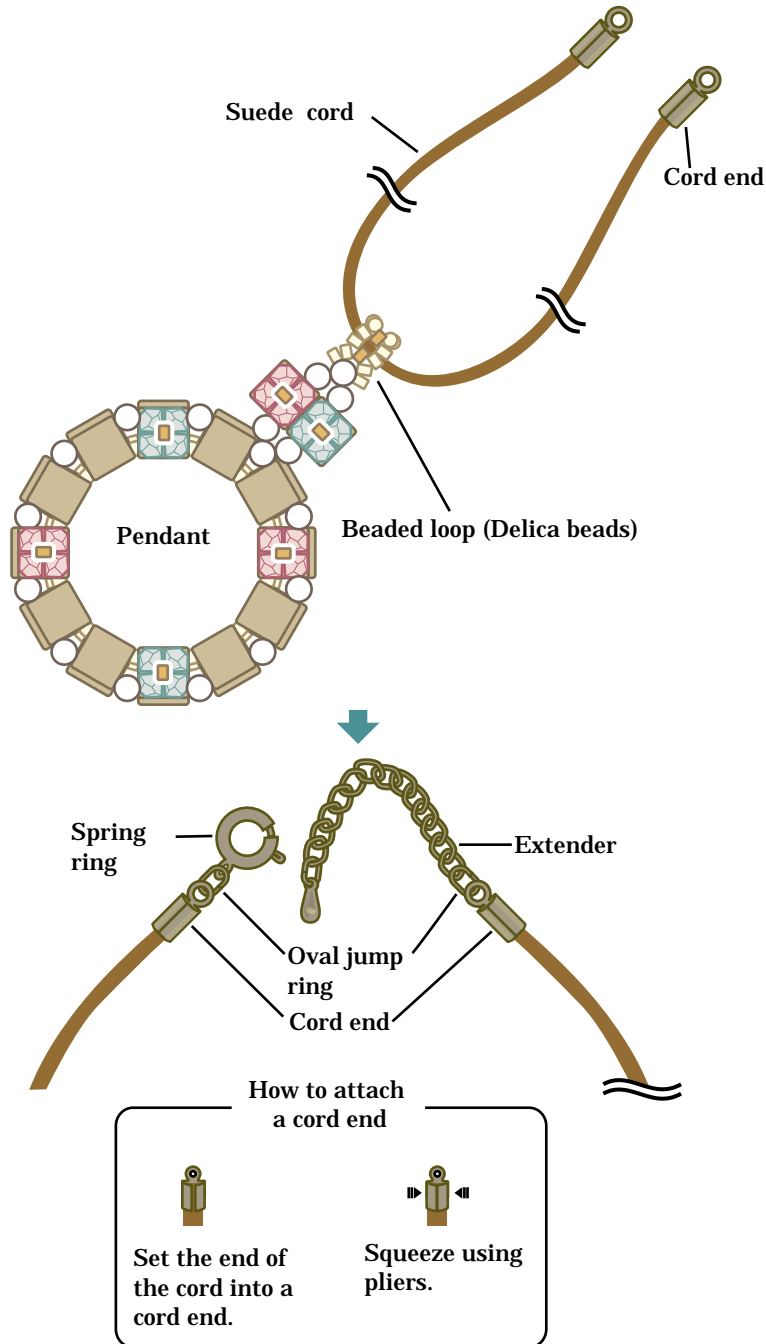

3) Use 60cm (1.95 ft) of nylon thread to make the pendant.
 String pearl, Delica beads and [A] ~ [D] while weaving from™ to the end.
 Tighten thread and knot twice. Pass the excess thread ends through 2 or 3 pearls, then cut off

3 Put [C] on top of [D], then assemble them together using nylon thread of [C]. Thread in the picture looks loose for easy view.
